The Pin, Tag Officer as he is called is looking for any club members who are not wearing their club name tag or their Lions Pin at a meeting. If you are unable to produce these two items at each meeting, be prepared to pay a fine. So if you see Lion Mark Hutchison – PTO, be ready.

BOWL-A-THON Recap

The Hershey Lions Club was well represented at the recent District 14T Diabetes Bowl-A-Thon. The screens in the background of this photo are blurred on purpose to “protect the innocent” (or guilty). Thanks to all the members that bowled and also came out to support the event. Thanks to Lion Brian Lynch and family for coordinating.

THE LAUGHING LION

Short & Punny?

The butcher backed into the meat grinder and got a little behind in his work

What is a sleeping child?
A kidnapper.

A small boy swallowed some coins and was taken to a hospital. When his grandmother telephoned to ask how he was, a nurse said, 'No change yet.'

Calling all photographers. The district is again holding an environmental photo contest. The 8 X 10 photo should be of something in nature or the environment in our District. Entries should be brought to our **April 16th** Board Meeting. One winner will be selected from our club to be entered in the District contest at our District Convention in May.

Membership Matters

The club is planning a Membership Informational Night on **May 21st**. We'll be presenting information about our club and Lions Clubs International. You are encouraged to invite at least one guest to the meeting. Let's finish the year strong with a few new members.
